

BOIL WATER ADVISORY

TO

THE RESIDENTS OF THE WALHALLA WATER SYSTEM

JULY 18, 2022

The City of Walhalla Water Department experienced a loss of system pressure due to a major water main break, and advises residents to vigorously boil their water for at least one (1) full minute prior to drinking or cooking. Also, any ice made from water, which has not been boiled, should not be used for drinking purposes. This advisory applies to all customers within the City of Walhalla Water Department service area.

Water samples will be taken, and tested. Residents should continue to follow the recommendations in this advisory until the advisory has been lifted. The City will notify customers when the advisory is lifted.

If you should have any questions concerning this Advisory, you may call the City of Walhalla Water Department at (864) 638-4343
