

FRIENDS OF CHICOPEE BALLFIELD

"Friends of Chicopee" is an organization formed to help restore the historic Chicopee Ball Field so it can once again be enjoyed by all community members in Walhalla. While some work has been completed (fencing, irrigation, Bermuda grass etc), there is still a lot more that needs to be done. The bleachers and dugouts need to be restored, safety rails, restrooms and a handicapped accessible area will need to be built to bring the site up to state safety standards. The total estimated cost of this project will be over \$100,000. We need support from everyone in the community; industry, businesses and individuals. Please consider donating to this worthy cause.
