OUTREACH

Community Meetings

The City will host four (4) open houses that will offer a variety of ways the public can share their thoughts and ideas for the next twenty (20) years. Open houses will be drop-in style events and include listening sessions, idea walls, visual preference boards, surveys and more. All members of the public are welcome and encouraged to attend.

Focus Group Meetings

The City will host six (6) focus group meetings that will *focus* on specific elements of the Comprehensive Plan. Focus groups are open to the public, but are specifically targeted for stakeholders actively serving in the areas discussed. Meetings will be roundtable style focusing on strengths, challenges, needs and opportunities for specific topics.

Surveys

Surveys are a basic form of public input gathering. The City will offer surveys online and in paper form. Additionally, the City will post a unique question on "Walhalla Wednesdays" through social media to encourage continuous engagement.

Pop-Up Events

Pop-up events will offer one or more input gathering methods and appear sporadically throughout the Summer and Fall, including at Independence Fest and Oktoberfest.
