PLEASE CAREFULLY READ AND REVIEW

THE INFORMATION ABOUT THE

COMMUNITY DEVELOPMENT GRANT

PROGRAM

BEFORE COMPLETING THE APPLICATION!

Thank you!

City of Walhalla

Community Development Grant Program

The City of Walhalla, in its continuing effort to support the development of the Downtown Business District, has created a Community Development Grant Program for all business and property owners within the designated District. The Community Development Grant Program will encourage economic growth and help create a more inviting character for the downtown area. The following outlines the details of the Community Development Grant Program.

Program Oversight and Funding

The City of Walhalla Community Development Grant Program Committee is responsible for administering a "Community Development Grant Program is intended to stimulate improvements to the exterior and exterior of commercial buildings in the Downtown Business District (area identified on the attached map.) The Community Development Grant Committee will consist of the members of the Walhalla Downtown Development Corporation and the City of Walhalla Community Development Manager.

The funding of this program is provided through the City of Walhalla and the Walhalla Downtown Development Corporation and all activities relating to the funding of community development projects will be reported to the City of Walhalla, City Council and any other agencies requiring reporting for grants received by the Walhalla Downtown Development Corporation.

Grant Amount

This is a reimbursement grant of up to 50% of the total project with a maximum grant amount of \$3,000 per property per twelve-month period. (Grant recipient will be reimbursed up to 50% of the project once it is completed.) The property owner and/or tenant may apply for a grant, only one grant may be awarded per applicant within a twelve-month period. More than one application will be accepted per structure but each application must represent a separate business and any applicants from a multiple tenant must have a valid Walhalla City Business License. ***Example: No matter the amount of the applicant's project costs, the grant awarded will not exceed \$3,000. For example, if total project costs are \$7,000 the applicant is to pay 4000, the Walhalla Downtown Development Corporation will award \$3,000. Project must begin within 45 days of grant approval and be completed within 6 months of start date.***

Eligible Properties and Applicants

1. At this time, eligibility is limited to any building or structure located within the Downtown Business District defined as South Broad Street to North Broad Street and from Oak Street to John Street (see area identified on the attached map).
2. Owners or tenants may apply for the grant; however, a letter of consent from the property owner will be required if the tenant is applying for the grant.
3. Only businesses whose existing use is allowable by the City's current codes and regulations are eligible for funding through the Community Development Grant Program. The Community Development Grant Committee reserves the right to deny funding to applicants who are delinquent on payment of fines, fees or taxes due to any government agency that could reflect the stability of the business.

Eligible and Ineligible Improvements

For purposes of this program, eligible expenditures shall include expenses related solely to those building and signage improvements, which are eligible for reimbursement, as outlined in the program guidelines and determined by the Community Development Grant Committee.

Improvements must be consistent with recommendations set forth in the City of Walhalla Downtown Master Plan and the Downtown Walhalla Design Guidelines for the area in which the property is located.

All work must be completed by a licensed contractor, legally operating in the City of Walhalla. The applicants should contact the City for assistance with permitting and business licensing. In some cases, self-contracted projects will be allowed. These projects will require an itemized list of materials with a labor cap of \$20.00 per hour. Contractors must supply a detailed written estimate; which must accompany the application. Contractors must also supply proof of any specialized license required for the work being performed, proof of Walhalla City Business license and a Certificate of Insurance listing the City of Walhalla as additional insured. Reimbursement of self-contracted labor costs are subject to approval by the Community Development Grant Committee.

1. Examples of **eligible** improvements for Community Development Grant funding include, but are not limited to:
 - a. Removing of false facades;
 - b. Cleaning of brickwork, which includes chemical striping, water wash, or scraping;
 - c. Exterior painting or surface treatment;
 - d. Repair/replacement of windows and doors;
 - e. Installation or repair of awnings;
 - f. Improvements to, replacement of existing signage or new signage;
 - g. Structural repair to include roofing and flooring;
 - h. Historical reconstructions and replacement of original architectural details;
 - i. Storefront enhancements;
 - j. Outdoor patios and decks;
 - k. Exterior wall lighting;
 - l. Decorative post lighting and architectural features;
 - m. Plumbing and electrical repairs to meet Code requirements.

2. Examples of **ineligible** improvements, either in whole or in part, for Community Development Grant funding, include:
 - a. Demolition of historic features;
 - b. Illuminated Signs;
 - c. Parking Lot improvements.

Ineligible improvements include ordinary repair and maintenance, required improvements as a result of a violation notice or citation, site furnishings, amenities, non-permanent structures, and movable equipment. Ordinary repair and maintenance is defined as "any work, the purpose and effect of which is to correct or prevent any deterioration or decay of, or damage to a structure, site or any part thereof, and to restore the structure or site, as nearly as may be practicable, to its condition prior to such deterioration, decay or damage, using materials which are of a design, color and outer appearance, as close to practicable to the original."

Time Limitations

Project must begin within forty-five (45) days of grant approval and be completed within six (6) months of approval. A reasonable extension may be granted based upon the good faith efforts of the applicant, through written request to the Community Development Manager and written approval from the Community Development Manager. Work may not be started by or on behalf of the applicant prior to the date of the grant award; such beginning disqualifies an applicant for grant consideration. The grant will be paid upon completion of the project, final inspection by Community Development Manager and/or the grant committee and presentation of paid invoices to the Community Development Manager.

Guidelines

1. Rehabilitation of structures in Walhalla should be considered with respects to the architectural integrity of the entire front, retaining those elements that enhance the building;
2. All rehabilitation design proposals will meet the zoning, building, and fire code requirements of the City of Walhalla;
3. Any exterior renovation proposal - from an entire façade rehabilitation to maintenance items, such as repainting or replacing building parts - is eligible for funding, but top priority will be given to projects which will make a highly visible contribution to revitalization of the district.
4. Colors should be chosen to coordinate with neighboring buildings. Contrasting colors which accent architectural details and entrances are encouraged (*see Color Chart for suggested colors*).
5. Retention and repair of existing cornices is strongly encouraged wherever possible. Recreation of missing cornices should be done with care, using historic photographs as a guide.
6. Side elevations and rear façades should be treated as seriously as main façades. The development of rear or side entrances with appropriate design is encouraged and should follow the stated guidelines.
7. Grant applicants are fully responsible for all aspects of the project, any relationships with contractors and suppliers, and securing all necessary city permit approvals before the project begins.

Application Process

Applications for the Community Development Grant Program can be obtained at City Hall, 206 N. Church Street. or online at www.cityofwalhalla.com. The Grant Period will remain open a long as there are available funds to support the Community Development Grant program. Completed applications must be delivered to the Walhalla City Hall at 206 N. Church Street or mailed to PO Box 1099, Walhalla, SC 29691. Only completed applications that include all required documentation and information will be accepted. The Community Development Manager will review the application for accuracy and completeness. The application will then be sent to the Community Development Grant Committee who will consider the application and determine eligibility. If the application receives approval, the applicant must enter into an agreement with the City.

1. Owner/tenant will complete the application and attach the following required documentation:
 - A summary of the proposed project, including current condition and improvements planned;
 - A minimum of two (2) color photographs of existing building condition/appearance;
 - Photos, plans, or sketches of proposed improvements (assistance available if needed);
 - Quotes, fee proposal, and any other back up material that supports the proposed budget;
 - Owner's permission, if necessary.

2. Owner/tenant will submit the completed application packet to the City of Walhalla's Community Development Manager.
3. The Community Development Grant Committee will review and either grant or deny the application. The Community Development Grant Committee reserves the right to deny an application based on their experience and to recommend alternatives in light of the current use of the building. A notification letter will be sent to the applicant stating whether the project has been accepted as described in the application, accepted with conditions, or rejected. If the application is rejected, it may be resubmitted with modifications.
4. The Community Development Grant Agreement must be signed upon approval and prior to beginning work. Parties in the agreement will be the applicant, building owner (if other than the applicant), and the Community Development Manager, who is authorized to sign on behalf of the City of Walhalla. Upon acceptance of the agreement, proof of contractor licenses and insurance must be provided prior to work commencing.
5. Any changes to the approved design must be submitted in writing to the Community Development Manager and receive written approval.
6. Upon project completion, copies of all of the applicant's dated statements and/or invoices must be submitted to the Community Development Manager with proof of payment to the vendor such as a paid invoice or canceled check.
7. The Community Development Manager and/or a qualified representative will inspect the completed work, and a check will be issued for the amount of the approved grant, provided the work is in accordance with the Agreement

Grant Policy

The Community Development Grant Committee will not use race, sex, age, or religion as grounds for refusing a grant to an eligible applicant.

Grant recipients will agree to place a *City of Walhalla Community Development Grant Recipient* sign at the construction site, during the time of improvements and in their storefront window for 180 days after the completion of the project.

More Information

If you need more information or have questions about the Community Development Grant Program, please contact the Walhalla Community Development Manager:

Community Development Grant Agreement

By signing this document, you, the grantee, agree to the following terms:

1. If you start the project before you have received a notice of approval from the Community Development Manager, you will then be deemed ineligible.
2. You have forty-five (45) days after approval to begin work.
3. You have six (6) months from the date of the approval to complete all work associated with the grant.
4. After work is completed and inspected by the Community Development Manager or designated agent, you have two (2) weeks to produce paid receipts.

If you fail to abide by these terms, you will forfeit any funds originally agreed upon by the Grant program committee. A copy of this agreement will be provided to you with the notice to proceed.
