Hello All,

The Planning Commission meeting has been scheduled for June 6, 2022. As you know I need at least 4 members to attend to have the meeting, please respond by text or email that you are coming at your earliest convenience. It should be a relatively quick meeting as we only have two tasks. I have attached an application for continuing education from ACOG for all commission members that have completed the orientation training. Please complete this application and either email or deliver it in person to city hall so that I can submit payment and Register you for the class. It will be in person on June 22nd at 9 AM at the Oconee County Admin Building.

For the members that have not completed your orientation training ACOG is in the process of scheduling this training.
