SOLID WASTE INSTRUCTIONS

Your roll cart must be out by 7:00am on the day of pick up and removed from the road by 7:00am the next day. DON'T WAIT UNTIL THE LAST MINUTE TO PUT YOUR ROLL CART OUT. OUR DRIVERS AREN'T REQUIRED TO DOUBLE BACK AND PICK UP ANY ROLL CARTS PUT AFTER THE TRUCK HAS GONE BY.

Please place your roll cart within 6 ft. of the curb or road shoulder. The front of the roll cart must be facing toward the street. On older roll carts, disregard the instructions on the lid that says the back of the cart must face the road. Placing the back of the cart toward the road or placing the cart sideways will cause damage to the cart and not allow the cart to dump properly. Our truck driver(s) reserves the right to leave any roll carts not properly placed for pick up. Please do not place your roll cart within 3 ft. of a mailbox, fence, tree, wall, bush, vehicle(s) or any other damageable object(s).

ALL GARBAGE AND REFUSE MUST BE PLACED IN PLASTIC BAGS INSIDE THE ROLL CART FOR PICK UP. ALL TRASH BAGS MUST BE TIED. TRASH OR CARDBOARD PLACED OUTSIDE THE ROLL CART WILL NOT BE PICKED UP. PLEASE DO NOT PLACE ANYTHING ON THE LID.

Per city policy, our drivers(s) are not required to pick up any trash that flies out of the roll cart during the process of dumping if trash is loose and not in tied trash bags. In that instance, it is the customer's responsibility to clean up any loose trash or litter. Should the driver(s) knock over or drop a roll cart in the process of dumping, the driver will be responsible for cleaning up any trash or litter.

Do not place items such as poisons, acids, caustics, explosives or other dangerous materials, soils, construction materials (concrete, wood, bricks, etc) furniture, oil gasoline, paint thinner, kerosene, toxic substances, shingles, etc in the roll cart. Longer fluorescent bulbs must be busted as soon as they are placed in the cart. Cardboard must be cut up before being placed in the cart. Larger pieces and boxes will cause the cart to not dump properly.

It is the responsibility of the resident to keep the inside and outside of the roll cart clean. Please do not paint, put stickers or any kind of graffiti on the outside of the cart. Our trucks only dump roll carts issued by the City of Walhalla. Any other carts or cans (i.e. carts or cans purchased at Lowe's or Walmart) put out to be dumped will be left.

Your roll cart is the property of the City of Walhalla. You will be charged \$86 (price may vary, based on roll cart manufacturer's prices) for the roll cart if it's stolen, removed from your residence without permission, or damaged beyond repair.

IF PICK UP FALLS ON A HOLIDAY OR DURING INCLEMENT WEATHER, PLEASE CHECK ALL LOCAL RADIO & NEWS MEDIA, OUR "CITY OF WALHALLA" FACEBOOK PAGE, WWW.CITYOFWALHALLA.COM, OR CALL US IN CASE PICK UP DIRECTIONS HAVE CHANGED. TRASH COULD BE PICKED UP A DAY BEFORE OR AFTER YOUR NORMAL PICK UP. IT MAY ALSO TAKE 2-3 DAYS FOR US TO CATCH UP.
