### **WALHALLA EXTENDS PAYMENT WINDOW AND CUTOFF DATES**

(Walhalla, SC) March 2, 2022. Due to issues with our third-party billing system, utility bills did not get posted to the internet nor mailed out in the appropriate time frame. In order to account for this, payment due dates and cutoff dates have been extended for this billing cycle only. Customers will now have until 3/18/22 to pay their bills and avoid any penalties. Cutoffs for non-payment has been extended to 3/28/22. We are sorry for any inconvenience this has caused.
